Dear brethren:

Pray this report finds all well there.

About the congregation:

Cotton family is doing pretty well. Unfortunately Lora's mother, Hope Doss, is suffering from rapidly progressing dementia. Also, Buddy has had to quit his partime job due to a shoulder injury for which he will be having surgery early June.

Joe and Nancy Crews have returned from their road trip to Florida. I am glad since I have to do Sunday am class, lead singing, and preach on Sunday mornings when Joe is not there.

Our sister Rachel Scheuerman's family is mostly well for now and finally most of the grand kids living with her are working now.. Rachel still needs a lot of prayers.

Our son Jonathan is still trying to get a bible study started with one of his friends. Please pray for his efforts.

Numbers are small, but faith is strong with all of us.

About Glenda and me:

No significant changes for Glenda. She is is still losing energy very easily. She is also losing weight slowly. We would appreciate a special prayer for strength, and thank you all for all the ongoing prayers as well.

I've had eye surgery (wrinkled retina), Seems to be progressing. I'm also going to have to have prostate surgery June 5th. Not for cancer thank the Lord. Shouldn't be "disabled" for more than 3 or 4 days at the most.

I've been contacted by the Weatherford Church for a possible gospel meeting in September. No details yet.

If anyone there knows of anyone in the Springtown area that we could contact for studies, please let me know.

Pray for our country's rulers and for our freedom to worship and teach the Lord's Word.
