

INFORME DE ESTUDIOS DE ABRIL

Greetings, dear brothers and sisters, may God continue to bless you greatly.

Thanks to the LORD we are very well. In the last ultrasound that my wife had we found out that we are going to have a girl, I thank the father very much for such a beautiful blessing to our life. My wife is at week 24/40. In this month I had the privilege of being invited by the Church of Christ in El Rincón-Bogotá where I was able to share several lessons with the brothers, it was gratifying for me and for my wife to share again with the brothers Orlando Osorio, his wife Milena and his son Juan Marcos, brothers that we appreciate very much and we thank the Lord for them. Thanks to the father my examinations on my spine went very well, the cause of the pain is muscular, and what causes the pain is constant use of the motorcycle especially when I visit Sister Maria at her house since the road is very rocky. The doctor recommended that I have a light rest so that the lower back muscle can rest.

My mother is fine. She was able to schedule her medical appointment and was prescribed other doses of medication to help her blood pressure and dizziness, hopefully she can get better and visit us soon. The brethren in the church are doing very well. I continue to work in the houses, giving Bible studies and organizing early studies with new contacts. I ask you for much prayer for the work and for me, so that I may continue with courage in this beautiful work.

Thank you for your help, for me it is a great blessing. May the love of the Lord be with you

In my Sunday responsibilities, I continue to lead the first hour study and sermons. At the end of each month, I lead a space to learn new hymns for the worship of the Lord.

I continue to run the studies on Wednesdays.

He continued his Bible studies on Wednesdays with Don Alberto and his wife.
